

Packard Avenue Community Clinic, Inc.

The Packard Avenue Community Clinic was founded in September 1998. The Clinic's mission is to provide basic health care to the uninsured residents of Cudahy, Oak Creek, South Milwaukee, and St. Francis. Aurora St. Luke's South Shore, Lakeshore Medical Clinic, the Local Health Departments, and the Lions Clubs of the South Shore Communities assist in supporting the operations of the Clinic.

The Board of Directors for the Packard Avenue Community Clinic wishes to extend our thanks to our 100 plus volunteers, who provide a valuable service to the residents of our communities. Our volunteers work or live within our communities, and many are physicians and staff of Lakeshore Medical Clinic, Aurora St. Luke's South Shore, or the Local Health Departments.

Patients are seen at the Clinic, located at 5854 S. Packard Avenue, Cudahy, on Tuesday evenings beginning at 6:00 PM. No appointment is necessary, as patients are seen on a first come, first served basis.

The Packard Avenue Community Clinic is a not-for-profit, 501 (c) (3) organization that does accept donations that may be tax deductible. If you are interested in becoming a Packard Avenue Community Clinic supporter or are interested in volunteering, please contact Ed Wrench at 414-882-2392.
